

Corporate Photography Services

aCoolDryPlace Photography

Corporate Events

We provide photographic coverage for a range of corporate events including, but not limited to, hospitality events, award ceremonies, product launches and building openings. Such coverage would include both candid photography and more a formal style where appropriate. Our aim is always to give you the photographs you require, and we are flexible to meet the needs of your event. We would be happy to discuss any particular requirements you have.

Portraits

Our portrait service can be tailored for your company, and we will work with you to generate portraits in a style to suit your corporate image. Portrait photography can be done either on-site or on-location as required. All corporate portraits come with an unrestricted license as standard. Group portraits are also undertaken.

Please enquire about other services you may require. We are currently unable to provide a product photography service.

Corporate Photography Prices
